REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicant's remarks, amendment and 37 C.F.R. 312 affidavit filed September 14, 2007 have been fully considered and are persuasive to overcome the prior rejections. The affidavit filed September 14, 2007 shows in Table 5 on page 4 a device comprising both a hole transporting layer and a light emitting layer comprising an amount of efficiency-enhancing additive in an amount to improve the luminous yield is superior to both a device comprising only the efficiency-enhancing additive alone and to a device comprising a hole-transporting layer and comprising no efficiency-enhancing additive in the light-emitting layer. Claims 1, 3-10, and 12-30 are allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
